

## **ASX Announcement**

**29th January 2018**

# **Jayride Group Debuts on the ASX**

Jayride Group Limited (ASX : JAY) ("**Jayride**" or the "**Company**") the e-commerce marketplace that provides seamless transport experiences for travellers, to compare and book airport transfers from 2,000+ transport companies, is pleased to announce that it has today commenced trading on the Australian Securities Exchange (ASX), following its successful \$1.5m IPO.

The Company's IPO was oversubscribed with strong interest from investors.

At listing, former CIO of Qantas, Jamila Gordon, was appointed to the board.

Funds from the IPO and Pre-IPO will be applied to achieve growth in revenues and passengers travelled, through milestones delivered in 2018 and beyond, including new international expansion, new transport companies, new travel partnerships, and launches of new technology to strengthen the Company's technical advantage.

Commenting on the success of the IPO, Jayride Managing Director, Rod Bishop, said "We are excited to have such strong investor support for Jayride in pursuit of the company's next stage of growth. We look forward to delivering on our milestones in line with our objective to be a world-leading transport marketplace that provides seamless transport for travellers, and growing the company to benefit all of our stakeholders.

"The market opportunity for Jayride is enormous, with over 3.7 billion passenger trips going to and from airports every year, there is great potential in assisting each traveller and the travel industry to compare and book on the ground transport legs of their journey."

The board of Jayride Group extends a warm welcome our new shareholders.

## **About Jayride Group Limited**

Jayride.com provides seamless transport experiences for travellers by allowing them to compare and book airport transfers around the world. With Jayride.com, travellers can compare and book with 2,000+ transport companies, servicing destinations from over 500+ airports across the US, UK, Ireland, Australia, and New Zealand.

The Jayride.com platform aggregates airport transfer companies and distributes them to travellers at Jayride.com; and via partnerships with other travel technology platforms, travel agencies and wholesalers. These partners implement Jayride.com APIs to sell airport transfers and add new incremental ancillary revenue to their travel businesses.

Founded in 2012, Jayride.com is headquartered in Sydney, Australia.
